Showtec Titanstrobe 3000

With blinder-function!

ORDERCODE: **40251**

Super bright, high impact strobe light. Due to the high flash rate, which goes up to 25Hz, this Titanstrobe 3000 can create a powerful blinder effect.
The Titanstrobe 3000 is fully DMX controllable (4 channels) and can be dimmed from 0-100%. It employs a smart, integrated heat control, that eliminates the need for cool down time.

Strahlendes, leistungsstarkes Strobe-Licht. Großartiger Blinder-Effekt durch hohe Blitzrate (bis 25 Hz). Der neue Titanstrobe 3000 ist DMX-steuerbar, verfügt über 4 Kanäle und ist 0-100% dimmbar. Eine Wärmekontrolle ist integriert, sodass Pausen zum Abkühlen des Geräts entfallen.

DMX CONTROLLABLE

Lamp:	ordercode 82690

Showtec RGB-Strobe 3000

ORDERCODE **40250**

Changing colours, high power strobe effect, blinder. All these effects are combined in this superb strobe; the Showtec RGB-Strobe 3000.
The RGB-Strobe has three colours plus white and can create astonishing effects for any venue. Due to its bright and high power bulb, it generates a lightpower of up to 3000W. Together with its blinder function, it can create a wall of light to blind your audience. The three colourgels, which can be easily selected by any DMX controller wrap the strobe effect in a wealth of colour.

Neu! Der RGB-Strobe 3000 ist eine regelrechte Trickkiste, die mehrere Effekte unter einem Dach kombiniert: Farbwechsel, High-Power-Strobe-Effekt und Blinder.

Der RGB-Strobe 3000 hat drei Farben(+ Weiss) und kann erstaunliche Effekte kreieren. Dank der leistungsstarken und strahlend hellen Lampe verfügt das Gerät über eine Intensität von bis zu 3000W. In Verbindung mit der Blinder-Funktion kann der RGB-Strobe 3000 eine Lichtwand erzeugen, die Ihr Publikum blended. Die drei Farbgels, die per DMX-Controller gewählt werden, umgeben den Strobe-Effekt mit einer Fülle von Farbe.

Showtec Super Z Strobe

ORDERCODE: 40240

This is an innovative DMX strobe with incredible dancing effects. Due to its high power and bright SF-150 lamp this moving strobe has a high light output. The movement as well as the flash speed are DMX-controllable. For stand-alone use, the unit can be setup in a master-slave configuration or in an audio-controlled sequence.

Eine innovative Neuheit ist dieser DMX-Strobe mit einem tollen Effekt "tanzender" Lichtstrahlen. Dank einer leistungsstarken und strahlenden SF-150-Lampe verfügt dieser Bewegungsstrahler
über einen hohen Licht-Output. Sowohl die Bewegungen als auch die Blitzgeschwindigkeit sind über DMX steuerbar. Für einen
Stand-Alone-Einsatz kann das Gerät in eine Master-Slave Konfiguration gesetzt werden oder in einen audio-gesteuerten Modus.

Showtec Strobe Pipe

ORDERCODE: 60551

Strobe tubes give you an eyecathing strobe-effect.
Four strobes are integrated in one 1.5m. long polycarbonate tube and can be branched almost unlimited via male/female 3-core plugs with screw caps. At the end of each branch should be a terminator to complete the system.

Mit den Strobe-Röhren kann man Strobe-Effekte entwickeln, die echte "Eyecatcher" sind. Mehrere Röhren können miteinander verbunden werden, wobei immer an das letzte Rohr ein sogenannter "Terminator" angeschlossen wird.

Showtec Strobe Pipe Controller

ORDERCODE: 60555

This controller has five modes to choose from a preprogrammed sequence. The programs can be selected manually or automatically. The starting of flash-runs can be triggered by hand or continuously. Speed and rate control from 5 to 200 flashes per second.

Mit dem Strobepipe-Controller können 5 eingebaute Programme separat angewählt werden oder nacheinander ablaufen. 5 bis 200 Blitze pro Sekunde und die Lauflichtgeschwindigkeit können mit zwei Drehreglern gesteuert werden.

Showtec UV-Beam

ORDERCODE 80320

The Showtec UV-beam gives you the cool effect from a regular blacklightunit and the flexibility of a parcan! Now you can project this trendy lighteffect to any place you want and thus narrowing it down to a certain spot. The UV beam uses a specially designed 25 Watt UV-lightbulb with a normal E27 socket (82482).

Ein besonders kompakter UV-Beamer für trendige Lichteffekte, der die Flexibilität eines Parcans besitzt. Der UV-Beam läuft mit einer speziell entwickelten 25 Watt-UV-Lampe mit einer normalen E-27-Buchse. Blacklight-Projektor in einer attraktiven Farbverpackung (inklusive Lampe).

Technical Information	
Lamp:	E27 240V/25W (82482-not incl.)

Showtec Music Blacklight

The Music Blacklight gives an extra dimension to the standard blacklights. This Music Blacklight can be music-controlled and therefore you can create your own Blacklight-show, which dances to the music. The Music Blacklight is available in 2 versions: with one tube and with two tubes. Through a switch on the backside, two working modes can be selected: Music Function and Static. Blacklight-bulb included.

Das neue Music-Blacklight ist eine neue Dimension: es kann musikgesteuert werden, deshalb können Sie Ihre eigene Blacklight-Show kreieren, die musikgetaktet läuft. Das Music-Blacklight ist in 2 Versionen lieferbar: mit einer Röhre oder mit zwei Röhren. Mit einem Schalter auf der Rückseite kann man die zwei Arbeitsmodi auswählen: Music-Function und Static. Die Lampe ist im Lieferumfang enthalten.
